**EVENT FAQS**

**Do I need to bring my ticket to the event?**

When you arrive to your first stop, you will need to present your printed ticket to enter the home. Alternatively, you can bring the confirmation up on your phone. In exchange, you will receive a bracelet that will allow entry into all the other projects on the Tour.

**How long are tickets available?**

There is a limited number of tickets available for this event. If tickets are not sold out, you may purchase online up until the day of the event. If you prefer to purchase tickets in person prior to the event, you may do so at the Olympia Master Builders office at 1211 State Avenue NE in Olympia.

**Are there ID requirements or an age limit to enter the event?**

Attendees must be at least 21 years of age.

**Do I need to pay for anything at the event?**

Most of the homes will be serving alcoholic beverages, and it is up to each home on whether they charge additionally for their drinks. It is suggested to bring cash and/or a credit card, just in case.

**What are my transport/parking options getting to the event?**

This is a scattered site event. You are responsible for driving yourself from location to location. Parking will be mostly street parking.

**Am I required to start touring at 4:00pm?**

This is a self-guided tour, so you may tour the homes at whatever time and pace works best for you. The timeframe has been set for you to enjoy the event at your leisure - you may stay as long or as little at each home as you like! Keep in mind, however, that if you visit all five projects, the entire route will take you a little over one hour to drive. Starting at 4pm will give you roughly 45 minutes per site.

**Do I need to follow the suggested route on my ticket?**

Not everyone will receive the exact same suggested route as you. By staggering the homes that attendees start at, we hope to create an even better experience by avoiding back-ups and long waits. While you are not required to follow your route, we highly encourage it!
