

# VOTERS GUIDE

THE FOLLOWING CANDIDATES HAVE BEEN ENDORSED BY THE AFFORDABLE HOUSING COUNCIL (TAHC), OMB'S POLITICAL ACTION COMMITTEE. TAHC FOCUSES ON ENDORSING CANDIDATES WHO UNDERSTAND AND VALUE THE IMPACT OF THE HOME-BUILDING INDUSTRY AND SMALL BUSINESS ON OUR LOCAL AND STATE ECONOMY.

## ROBBI KESSLER

### OLYMPIA CITY COUNCIL POSITION #2

I would like to see a more inclusive city government. We must have objective measurements of progress the public can track. Transparent governance will help with all issues facing the City. I have experience

working with governing bodies at multiple levels of government, drafting laws, budgeting, and working with government officials. I am a licensed attorney in the State of Washington with a broad base of legal training and specific professional experience that is relevant to serving on the City Council. Olympia will benefit from having a voice on City Council that is a minority, has a law degree, has legal experience related to governance, and is invested in Olympia. I respectfully request your vote.

## EMMA MCSHARRY

### LACEY CITY COUNCIL POSITION #4

I'm running for Lacey City Council in the upcoming 2021 municipal election and I'm asking for your support!

We all know Lacey is a great place to live, start a business, raise a family and enjoy the outdoors. I want to ensure that the positive growth of Lacey continues.

I am ready to work for our citizens to keep a healthy budget, maintain a business-friendly environment where local companies can flourish and continue to keep Lacey a place that we all want to live. Most of all, I'm looking forward to bringing a fresh perspective and a relatable voice to represent our residents and business owners alike.

## WE KNOW THAT OUR MEMBERS ARE ACTIVE POLITICALLY!

One of the things that this pandemic has taught us is that elections have consequences. Washington State's general election will be held on November 2nd. So, while we are all focusing on doing what we can to stay safe and healthy, here at OMB we also are looking forward to election day.

If you are not already registered to vote, you can register online or by mail until October 25th. For more information on registration, please visit the Secretary of State's website at: <https://www.sos.wa.gov/elections/register.aspx>

This has been a difficult time for so many, but COVID-19 has shown us the importance of electing leaders at every level who put your well-being first. Make your voice heard!

## SPENCE WEIGAND

### OLYMPIA CITY COUNCIL POSITION #7

Like you, I expect our city council to provide practical and commonsense solutions to our community's opportunities and problems. But for the last 10 years the city council simply asks residents to sacrifice more and

expect less. We need change in 2021. As your next city councilmember, I will listen, collaborate, and work to address our affordable housing crisis; triage those experiencing homelessness and address upstream causes; and revitalize our downtown. I will work hard for a cleaner, safer, more vibrant Olympia. Together we will plan smartly, encourage density, sustain our neighborhoods and small businesses, provide diverse housing options for all needs, and protect our shorelines and green spaces.
