- Receive a profile page in the Tour Guide - a publication that is distributed throughout our local community!
- You'll have an opportunity to receive esteemed awards from the community and fellow builders.

### Builder Testimonials:

"This tour allows us to connect with homeowners in a meaningful way, answer their questions, and showcase real-life examples of how we transform spaces to reflect our client's vision. It's also a chance to share ideas and demonstrate our commitment to excellence, inspiring confidence in those considering a remodel."

"As first-time participants in the 2022 OMB Tour of Homes, we realized what a great opportunity it was to meet potential clients and take them through our work philosophy and values, while illustrating it with the project we were showcasing. This gives future clients a unique immersive experience of our workmanship, craftsmanship, and ingenuity, and provides us with a platform to take them on a journey that breathes life into their dreams and brings those dreams closer to reality."

**- Kai Fyrst, First Finishers LLC**

"Participating in the Tour of Homes as a remodeling contractor provides a unique opportunity to showcase your skills and connect with potential clients. By allowing prospective customers to see the quality of your work firsthand, it can help build trust and establish your credibility as a contractor. Not only is the Tour of Homes a great way to get our name out there, but it's a lot of fun as well!"
